WELCOME TO AZUMI

We here at Azumi would like to welcome everyone to our humble establishment. We have diligently toiled for a number of years to develop this compilation of wine and sake from all across the globe. We believe that the sake experience and education enhance the concept of fine dining Japanese cuisine.

The primary focus of this list is sake offerings from the Island of Japan. We have also included wines that we believe pair best with our cuisine. Contained in this anthology there are sake elements for the most experienced sake aficionado all the way to those that are just beginning their journey into the world of sake.

We will continue to develop and advance our own knowledge of Sake & Wine in order to enhance the experience here at Azumi. We encourage any and all questions and feedback as we wish to be your guides throughout this evening and for years to come.

Shukugaki!
